## Introduction

These release notes accompany **mocha shape for After Effects CC 2015**.

## New Features Guide

At present open splines are not supported in **mocha shape for After Effects CC 2015**.

This is a patch update to address changes made to After Effects CC 2015.

## Fixed Issues

None. This patch addresses rendering changes in After Effects CC 2015.

## Known Issues

<b>Issue:</b>	DE3866 Renaming mocha shapes is noticeable when pasting data to AE
<b>Platform:</b>	All Platforms
<b>Bug Description:</b>	Shape effects pasted into AE can take a noticeable time to rename to their corresponding layers in mocha.
<b>Issue:</b>	DE3864 "Invalid product" is shown when clicking on About link against mocha shape effect in AE

<b>Platform:</b>	All Platforms
<b>Bug Description:</b>	The About box for shape effects shows the product name as "Invalid Product".

---

<b>Issue:</b>	DE3861 Extra Undo steps after pasting mocha shape data to After Effects
<b>Platform:</b>	All Platforms
<b>Bug Description:</b>	It requires multiple undos to remove a shape effect after pasting due to the renaming stage for each layer.

## Hardware Requirements

A Windows or Mac system that meets the After Effects CC 2015 requirements.

## Software Requirements

A Windows or OS X operating system version that meets the After Effects CC 2015 requirements.

Imagineer Systems is not responsible for any operating system upgrades or modifications, third party applications or hardware changes that reduce or disable mocha shape converter functionality.
